Rotary Hat Day

Congratulations to everyone who wore a funky hat last Friday to raise money for Rotary.

Zone Debating Final

Four Year 7 students competed this morning in the Zone debating final against Billabong High School. This was a unique event in that Ryan, Jessie, Kobiga and Sandy competed via 21st Century Learning technologies, using our Video Conference system. The team won their debate and will now go on to the next round. Well done!

HSC Exams Commence

Good luck to our Year 12 students and they begin their HSC exams today! We know that Kurt, Sally and Josh will do their very best.

Early Entry for Kurt

Congratulations to Kurt Bandy who has gained early entry into the University of Wollongong! Kurt will be undertaking a Bachelor of Engineering (Honours).

Primary State Athletics

Good luck to Max Findlay who competes in the 800m event at the State carnival in Sydney on Thursday!

Flying Fruit Fly Circus

The excitement is palpable in the school with students beginning their sessions with the famous Flying Fruit Fly Circus today. Sessions will continue tomorrow and Weethalle and Binya Public Schools will also be joining the fun. Primary students are asked to bring an extra piece of fruit with them to share with our Binya and Weethalle guests at recess.

Thank you to the P&C who have supported our students once again with a donation to allow families to participate!

Secondary Excursion

Next week our Years 7-11 students will be heading off to Melbourne for a thrilling week filled with academic and cultural experiences – Ms Murdoch has done an outstanding job of organising the trip. Thanks to her and Mr Hartley for attending.

Student Self Defense Classes

For a gold coin donation, on Wednesday our students will participate in some self-defense sessions with Sensei Frank Cirillo.

Frank is a highly regarded martial arts trainer who is kindly coming into our school to share his knowledge with our students.

MIA Ag Camp

Three students are attending an Ag Inspirations Camp held at Yanco over the next week to investigate careers in the multi-faceted area of agriculture. Mr Whytcross has accompanied Tayla, Matt and Reece to the camp today where they will gain a wealth of experience in many areas of agriculture and build new friendships as well.

2014 Intensive Swimming
Yes, it's hard to believe, but it will soon be time to organise our Intensive Swimming. This will be conducted in weeks 8 and 9 of this Term. As the weather gets warmer I suggest students try and get some swimming in BEFORE week 8.
Each child will also need a 'rashie' and a hat.
The cost of entry to the pool for the 2014-15 season will be available soon, but a family season ticket is probably the best idea.
I will have a list of the levels for each student on the Sport Notice Board soon so it's important for students to check and make sure they are in the correct level based on their swimming ability and last years' results.
If any parents have any questions regarding the swimming program, please contact me at school.
Also, if any parent or community member wishes to attain their Resuscitation Certificate or Bronze Medalion, let me know.
More details to follow the closer we get to Week 8.
Alan Hesketh
Intensive Swimming Organiser

After a great wrap from Paige who attended the Flying Fruit Fly Circus performance last week at the Griffith Regional Theatre, I think we are all looking forward to the workshops being conducted today and Tuesday.
A huge Good Luck to Max, who will be completing at the State Athletics Carnival this week. Whatever your result Max, you should be proud of your achievement.
