Principal’s Report

Intensive Swimming Program
Students have begun our intensive swimming program for this year. Thanks to Mr Hesketh for his organisation for this activity and to the Years 9 and 10 students for their help.
Please remember that if you do not hold a season ticket for the Barellan Pool then your child/ren are required to pay $2 entry each day.

Beyond the Line Visit
The teach.NSW Beyond the Line - Rural program gives university teacher education students a taste of teaching and living in rural and remote NSW. The program involves week-long orientation and professional experience visits, providing a snapshot of lifestyle and career opportunities for teachers in rural and remote areas. Each year Barellan Central School hosts students participating in this program and this week we welcome two students who are spending the week with us. Mrs Greig is training as a Science Teacher and Miss Patton as an English/History Teacher. We trust that they will enjoy their experience and adventure out into rural areas throughout their career.

University of Notre Dame Visit
On Thursday this week secondary students will have the opportunity to participate in activities with medical students from the University Of Notre Dame in Sydney. One of the medical students is a past student from Hillston Central School who studied across RAP for Year 11 and 12, Jenna Mewburn.

Presentation Night Trophies
Could all trophies please be returned to allow us to prepare for this year’s Presentation Night.

A group of six medical students who as part of their curriculum have chosen to undertake a Social Justice project visiting schools within rural and remote Western NSW. They are planning to focus upon mental health, emergency skills, and general medical skills, as well as information regarding university options post high school.
Their purpose is to provide a fun and creative environment for students to discuss the options available for a future career within health-care, and pursuing tertiary education. Their aims align with the current Rural High School Visit Program, initiated by the National Rural Health Students’ Network which looks to address the barriers experienced by rural and remote high school students, such as moving long distances, managing finances, and achieving high grades whilst adjusting to a new environment.
They will address these aims by facilitating a series of interactive activities, which include:
- Emergency First Aid Management (scenario-based)
- Hygiene Practices
- Clinical Skills including plastering, and slings
- Anatomical Model (‘Gusty Gus’)
- Discussions regarding mental health, risky behaviours and confidentiality within health care.
This is a great opportunity for our students.

Study Day
Years 10 and 11 students will head off to Oaklands Central School on Friday to attend a RAP study day. This will provide Year 10 with a brief introduction to their classmates and teachers involved in RAP.
Have a great week.
Parents please note volunteers are needed Week 10. Canteen closed last week of school.

Intensive Swimming Program
Swim School has begun for 2014. It will take 2 weeks, depending on weather and student progress. All the students have been placed into a level, based on their swimming ability and last year's results. The schedule is as follows:
Primary: 2/3/4 and 4/5/6 class 9.15 to 10.30.
Infants: K/1/2 class - After recess till lunch
Secondary: After lunch
Year 9 and 10 students will also be assisting with the Infants and Primary groups for this time, meaning no normal lessons for them.
It is very important students come to school prepared for swimming. They will need swimmers, rashie and towel, all clearly labelled with their name and $2 for pool entry if they don't have a season ticket.
Don't presume swimming won't occur because of weather, come prepared and a decision will be made on the day. If you have ANY concerns, please contact me at school.

2/3/4 Class News

Welcome to Mrs McDermott, we hope you enjoy working with us.

Swim School runs for the next 2 weeks. Please make sure all clothing is labelled and that the students have a rashi and sun screen. Because 2/3/4 are the first group at the pool it would be easiest for them to wear their swim wear to school under their uniform each morning.

Please ensure students bring underwear to change into following their lesson.

Thumbs up to Lachlan who is working hard to be organised and complete

Problem of the Week
Solve an Easier Version First
Look for Patterns
There are 24 people in a tennis comp. Each player stays in the comp until they lose a set. How many sets will be played before the champion is known?

Good Luck!

Congratulations to Zach who solved last week's problem and explained how he worked out the answer.
4/5/6 News

Swim School begins this week. Please make sure you have all the required clothing including a rashy and $2 a day for those students who do not hold a season pass for the pool.

Due to Swim School, the next couple of weeks will be a little different to the regular week. We will still have our Literacy and Numeracy lessons, but these will look slightly different as we need to fit them in around swimming lessons.

Last week I was amazed to see the final product of all the hard work and effort students put into their News Report. Over the next couple of weeks, we will spend time editing the section filmed into a (hopefully) seamless News Report, which we can then send home on USBs for parents to view.

K/1/2 Happenings

Swim school starts today. Students will require a rash shirt to wear during these lessons. If students do not hold a season ticket please ensure students bring $2 each day for entry to the pool.

On Thursday of Week 9 Primary are having an assembly which will include a Christmas item. It would be excellent if parents and careers are available to attend this assembly. The infants Christmas tree will take place after the assembly.

Tomorrow is White Ribbon Day.

Homework

Home Readers
Please continue to encourage students to complete their home reading each night.

Home Work Sheets
New homework will be coming home today.

“GROWING OUR CLUB” – lets become our own Major Sponsor
Any growers who wish to donate grain to Barellan United Football Club are asked to warehouse the grain, HOWEVER, this is optional and any donation will be accepted and appreciated. If you wish to donate, simply nominate the amount of grain while at the sampling stand.

**NGR – National Grower Register**
Barellan United Football Club now hold a NGR card and are asking growers to donate grain to support their local footy club.

The NGR card will be kept at the Barellan sample stand.
If a substantial amount is raised the footy club will recognize The Barellan & District Grain Growers as a major sponsor in the form of a logo displayed on the footy guernsey’s.
