**Young Leaders Conference**

Our BCS Young Leaders spent a fabulous couple of days travelling to and from Sydney and listening to some exceptional people in their chosen field. Mike Martin, executive director of the Halogen Foundation started off the day on a positive note with his vision for the foundation and future of the conferences. The Honourable Bob Carr followed with his insight into persevering to make the changes you believe need to be made. We got some comic relief next from Author Andy Griffith who demonstrated how anyone can be a writer, you just have to think outside the box. Students were then inspired by Coen Ashton, a young man trying to change attitudes toward organ donation. The day concluded with Ita Buttrose, who told a story of overcoming social norms and changing attitudes to working women. Congratulations to all students who attended. You represented BCS with pride.

**This week’s Easy Healthy Lunchbox Idea:**

**Lunchbox Pasties**

Recipe and photos: kidspot.com.au

**Ingredients:**

- 1 small orange sweet potato, peeled, coarsely chopped
- 1 small carrot, peeled, finely chopped
- 1 desiree potato, peeled, finely chopped
- 1/2 cup frozen peas
- 125g can corn, rinsed, drained
- 1/2 cup coarsely grated cheddar
- 2 eggs, lightly whisked
- 3 sheets ready-rolled frozen shortcrust pastry, just thawed
- 2 tsp sesame seeds

**Steps:**

1. Preheat oven to 240°C. Line an oven tray with baking paper.  
2. Cook sweet potato in a medium saucepan of boiling water for 10 minutes or until tender. Drain well. Transfer to a heatproof bowl. Use a fork to mash until smooth. Set aside to cool in bowl.  
3. Cook carrot and potato in a medium saucepan of boiling water for 5 minutes or until tender. Drain well. Set aside for 5 minutes to cool slightly.  
4. Add carrot mixture, peas, corn, cheese and 1 egg to sweet potato and stir to combine. Season with salt and pepper.  
5. Use a 12cm-diameter pastry cutter to cut 12 discs from pastry sheets. Spoon vegetable mixture evenly among pastry discs. Brush edges of pastry lightly with remaining egg. Fold pastries in half to enclose filling. Use fingertips to gently press together to seal.  
6. Place on the lined tray and lightly brush with remaining egg. Sprinkle with sesame seeds.  
7. Bake in oven for 15 minutes or until golden brown and cooked through. Remove from oven and set aside to cool.  
8. Once completely cooled, wrap in baking paper, and store in the fridge ready for the lunchbox.

At the athletics carnival when I got to long jump you got 3 chances and I failed but my older brother made it but he didn’t make it again.

When Mr Hesketh shouted he said, “Junior boys please come to discus.” It was tricky and you got 3 chances. I got 1 foul, my first throw was my longest and I defeated Lachlan, this time. **Jonathan**

**Will**

On the day of the athletics my first race was my age race, as some girls crouched down we began... “Take your mark... BANG!” We started running. Lillian was in the lead but I flashed past her and I won.

After that we went to long jump, my longest jump was 1.40m. Following that we went to discus, I was number 19. After that we did shot putt, my first throws were in but ... my last was out. Then we did the 200 metres, I shivered as we began. I just beat Ella by a centimetre.

The last event was our relay, I was coming second last but in the end we lost. MacArthur was the winning team and I had a great day.

**Olivia**

When I was getting ready for Mr Hesketh to call my name out I was confident about it but when he called my name out and I sprinted like Usain Bolt, everyone went quiet.

I jumped like a jumping kangaroo. I made it but I jumped a bit high and I hurt my neck. I toughened up and jogged off the mat. Cooper and I were the first competitors to get over the pole, everyone else didn’t but they had 2 more chances.

Ben made it over surprisingly, then Lachlan made it over too and then it was Ryan J’s turn and he made it over but he jumped off 2 feet but his last go he made it.

We were all in the finals but the rest didn’t make it... now it was only me and Cooper. WHO WILL WIN! Cooper went first but he failed then I went and I made it, I was the champion. **Will**

**Emma**

It was the junior boys relay, my team was counting on me. I was the quickest so I had to go last.

We were in the lead, then Wyatt passed the baton and I sprinted the whole way.

We won, everyone cheered me on.

**Ryan**

**Matisse**

It was the 800 metres race, “Ready... set... BANG!” We started, there were 2 laps around the oval, we were on the last lap. I was coming last but I was catching up to Allie. I had to get past her but then I accidently tripped Allie over. “Are you alright?” I said. Well the race was over. I was last and Allie’s wrist hurt for a while, “I hope she is O.K!”

LETTER TO PARENTS

In May 2014 the National Assessment Program – Literacy and Numeracy (NAPLAN) will be completed by students in Years 3, 5, 7 and 9. NAPLAN has the support of all State and Territory Education Ministers and will assess the literacy and numeracy skills of students across Australian schools.

The results of the tests will provide important information to schools about what each student can do, and will be used to support teaching and learning programs. Parents will receive a report indicating their child’s level of achievement. Each student’s level of achievement will be reported against the national minimum standard.

Background information (student name, gender, date of birth, language background and Aboriginality) will be collected as part of the National Assessment Program. This information is treated confidentially and held securely to ensure that every student’s right to privacy is maintained.

The NAPLAN tests will be conducted from 13 - 15 May 2014.

In the Numeracy tests students do not require any measuring tools such as rulers or protractors. In Years 7 and 9 there will be two Numeracy tests: one where a calculator is allowed and one where calculators are not to be used. For the calculator test, the student should use the calculator that they currently use at school.

In 2014, as in previous years, the Writing task will be a single common task for all students. The 2014 Writing test will require students to respond to either a persuasive or narrative Writing prompt. However, the genre of the prompt will not be disclosed prior to the test period.

Wherever possible, schools will organise for individual students who are absent at the time of testing to complete missed tests at another time during testing week. Individual students are not permitted to sit tests after Friday 16 May 2014.

Students may be considered for exemption from the tests if:

- they are newly arrived in Australia (less than one year before the test) and with a language background other than English, or
- they have significant intellectual disability and/or significant co-existing conditions which severely limit their capacity to participate in the tests.

All other students are expected to participate in the tests. Disability adjustments which reflect the student’s normal level of support in the classroom may be provided. Large print, Braille, coloured paper versions and electronic tests are available to meet the needs of individual students.

Access to disability adjustment or exemption from the tests must be discussed with the school Principal and a parent or carer consent form must be signed. Students may be withdrawn from NAPLAN by their parent or carer. This is a matter for consideration by parents in consultation with the Principal. If you wish to withdraw your child from the tests, a parent or carer consent form must be signed.

Please make an appointment with the Principal of the school your child attends if you would like to discuss your child’s participation in NAPLAN.

Additional information about NAPLAN can be found at www.nap.edu.au/NAPLAN/Parent_Carer_support/index.html.
Barellan Anzac Day Celebrations 2014

Barellan’s march will commence at 3pm at the Barellan War Memorial Club. Any Ex-Service men and women are invited to march (or ride) to the Cenotaph; we also welcome school students from Barellan Central and Binya Public as well as local students from other schools to take part. Relatives of those who have served our nation in all wars are also invited to march, but we are all reminded that medals awarded to someone else must be worn on the right hand side of the chest. For example, if a child is wearing Great-Grandfather’s medals, they are always worn on the right side. The actual winner of the medal wears them on the left, over the heart.

Exciting News! Not only will we have the Leeton Town Band to lead our parade, but as pictured “Simpson & His Donkey” will come along as special guests. This year’s Anzac address will be presented by Mr Paul Werner. Mr Werner’s uncle was the last soldier to be rescued by Simpson and his Donkey and this will be re-enacted on the day.

This year marks one hundred years since the outbreak of World War 1.
