Principal’s Report

PSSA Cross
Country
Congratulations to all students who attended the PSSA cross country on Friday in Ganmain. All students were great ambassadors for our school. BCS came home as Zone Champions as a result of terrific performances by our students! A full report follows. Thanks to Mrs Conlan and all of the parents who attended on the day.

NAPLAN

The National Assessment Program – Literacy and Numeracy (NAPLAN) is an annual assessment for students in Years 3, 5, 7 and 9. It has been an everyday part of the school calendar since 2008. The annual NAPLAN tests for students will take place from Tuesday 13th May to Thursday 15th May with Friday 16th May being a catch up day. Further information about the tests is included in this week’s Gazette or online at http://www.nap.edu.au/naplan/naplan.html. This website also has some practise questions for students to get a feel for the tests.

Uniform

Our new Secondary uniforms should be arriving soon. Thanks to Jeanette Brumby who has been very busy ensuring that all items are of a high standard before we have them delivered. Watch this space!

Included in today’s Gazette is an order form for the new Secondary School jackets. These are also available for Year 5/6 students.

Banners and Flags

BCS has acquired new banners and flags for the promotion of our school. We took one on Friday to the PSSA cross country and it looked fantastic.

Examinations

Year 11 and Year 12 students will finish their examinations on Friday this week. Thanks to Mr Whytcross for his organisation of these.

Students in Years 7 – 10 should begin to prepare for their examinations which are in week 5.

Secondary Zone Cross Country

Secondary students head to Coolamon on Thursday to compete in the Zone cross country – good luck to all students!

Tips for Parents

Our students are spending more and more time on the internet these days to complete their school tasks, researching assignments and interacting with others. Social media sites can be useful for certain educational tasks, therefore it is important for you along with your child to understand fully the sites visited as well as the best practices and usage of a social media tool like Facebook. Below is an infographic designed by Fuzion, a marketing and PR design company that wanted to help educate students on how to use Facebook safely and easily.

**PSSA Cross Country Champs....**

Last Friday Barellan Central School was represented by 33 students at the PSSA District Cross Country carnival, held in Ganmain. A great course unfolded and the students participated to the best of their ability in quite chilly conditions. Everyone competed with great sportsmanship and tried extremely hard. There were several stand out performances with 3 age champions being awarded to Barellan. Jane Haeusler won the 10 years girls, Paige Kenny won the 11 years girls and Max Findlay won the 12/13 years boys age groups. These students have qualified to compete at the Riverina Cross Country carnival, to be held in Deniliquin on June 10. Joining them is Anika Praestin, Jake Bourchier, Norm Haeusler and Ebony Praestin who also finished in the top 4 in their respective age groups.

Barellan Central School finished as the champion school with 26 points and also came 2<sup>nd</sup> in the handicap division. This is a great achievement as we are quite a big school, which makes being competitive in the handicap section difficult.

Thankyou to the abundance of enthusiastic parents and supporters who braved the cold to cheer on our students and helped on checkpoints

Mrs Conlan

2014 Age Champions:

Jane Haeusler 10 Years, Max Findlay 12/13 Years & Paige Kenny 11 Years.
**2/3/4 Class News**

**Leaders:** Lachlan, Allie & Anika

Well done to all students for an outstanding start to the new term, so much great work completed in one week. We have practised planning and writing a narrative, made huge numbers up to 10,000 and had our first week of hotshots tennis.

Excellent participation from our 2/3/4 class at the District Cross Country on Friday you should all be very proud of your sportsmanship and for striving to do your absolute best.

This week we will be harvesting our vegetables from the ag plot and cooking a meal with them.

LETTER TO PARENTS

In May 2014 the National Assessment Program – Literacy and Numeracy (NAPLAN) will be completed by students in Years 3, 5, 7 and 9. NAPLAN has the support of all State and Territory Education Ministers and will assess the literacy and numeracy skills of students across Australian schools.

The results of the tests will provide important information to schools about what each student can do, and will be used to support teaching and learning programs. Parents will receive a report indicating their child’s level of achievement. Each student’s level of achievement will be reported against the national minimum standard.

Background information (student name, gender, date of birth, language background and Aboriginality) will be collected as part of the National Assessment Program. This information is treated confidentially and held securely to ensure that every student’s right to privacy is maintained.

The NAPLAN tests will be conducted from 13 - 15 May 2014.

In the Numeracy tests students do not require any measuring tools such as rulers or protractors. In Years 7 and 9 there will be two Numeracy tests: one where a calculator is allowed and one where calculators are not to be used. For the calculator test, the student should use the calculator that they currently use at school.

In 2014, as in previous years, the Writing task will be a single common task for all students. The 2014 Writing test will require students to respond to either a persuasive or narrative Writing prompt. However, the genre of the prompt will not be disclosed prior to the test period.

Wherever possible, schools will organise for individual students who are absent at the time of testing to complete missed tests at another time during testing week. Individual students are not permitted to sit tests after Friday 16 May 2014.

Students may be considered for exemption from the tests if:

- they are newly arrived in Australia (less than one year before the test) and with a language background other than English, or
- they have significant intellectual disability and/or significant co-existing conditions which severely limit their capacity to participate in the tests.

All other students are expected to participate in the tests. Disability adjustments which reflect the student’s normal level of support in the classroom may be provided. Large print, Braille, coloured paper versions and electronic tests are available to meet the needs of individual students.

Access to disability adjustment or exemption from the tests must be discussed with the school Principal and a parent or carer consent form must be signed. Students may be withdrawn from NAPLAN by their parent or carer. This is a matter for consideration by parents in consultation with the Principal. If you wish to withdraw your child from the tests, a parent or carer consent form must be signed.

Please make an appointment with the Principal of the school your child attends if you would like to discuss your child’s participation in NAPLAN.

Additional information about NAPLAN can be found at [www.nap.edu.au/NAPLAN/Parent_Carer_support/index.html](http://www.nap.edu.au/NAPLAN/Parent_Carer_support/index.html).

Sister Margaret Quade Memorial Fund
For those new to our community - Sr Margaret Quade was born and spent her childhood at Barellan. On completion of her education she entered the nursing profession and became well known and respected within her profession. Eventually Margaret became ‘Sister’ at our then hospital, becoming an important part of our community, some believing she was as good as a doctor. Sister Margaret Quade was presented with ‘Citizen of the Year’ awarded by Narrandera Shire Council in 1982.

In 1985 following the untimely death of Sister Quade from breast cancer, Barellan Hospital Auxiliary held a meeting and at this it was decided to start a “Sister Margaret Quade Memorial Fund”, as Margaret had believed Barellan needed “Aged Care Units” this was talked about. Gradually funds were raised and donations received.

In 1988 a public meeting was held regarding the funds raised and it was decided to continue raising money for future Aged Care Units and with some of the interest earned present a scholarship to district students who entered the nursing profession. Scholarship to be called the “Margaret Quade Memorial Scholarship”.

Trustees were elected to control funds, these were Mr Peter Findlay, Mrs Doreen Bewes-Pearson (now deceased) and Mrs Val Hawker. Narrandera Shire made a generous donation to fund scholarships and future plans. A number of awards have been made over the years.

In October 2011, following a written request from Barellan Aged Care Support Group enquiring if the fund was available to support the proposed units, as this was the original plan when funding began, the trustees agreed that the funds would be available to the Support Group when required.

The final Margaret Quade Scholarship worth $500 was awarded to Alice Kenny who plans to be an Occupational Therapist. Congratulations Alice and you are wished every success with your studies.

“The Margaret Quade Memorial Fund” principal worth $16,900 was presented to the Barellan Aged Care Support Group, with a request that Sister Margaret Quade be recognised in some way within the development.

A memorial of Margaret Quade is hanging on the wall of the Barellan Hall, near the stage.
