4/5/6 Students were asked to complete a quick writing task. They only had five minutes to write on the topic...

**I’ll never eat another...**

Sarah Wilson

I’ll never eat another **Happy Meal**! They are for little kids. The toys that come with them are weird. You only get six chicken nuggets! That’s not enough. You should get at least 10! Moving on to the fries...you only get about 20 of those. I am pretty sure a mouse can eat that many! Even though the food is good and I know they say quality not quantity, but I am sure humans are supposed to eat more than a mouse, so think about it next time you pull over at the Golden Arches!

Norman Haeusler

I’ll never eat **Spinach Curry** again. I have had enough of eating that horrible greeney, goozy thing again, which is mashed into a packet. My dad says it is good for my sports. If I have to eat another bowl of Spinach Curry again, I would quit sport. It would be my only option! Trust me, you will hate it. It tastes like, I don’t know, nothing I suppose. When I first saw it, I was disgusted - it’s taste, smell – and when it goes down your throat, it feels like you have eaten a frog alive! YUK! That is why I really hate Spinach Curry!

Kokulan Kandeepan

I’ll never eat another **sour worm**. Every time my sister has them the sugar just spills everywhere and even though they have sugar around them they just taste disgusting. I still can’t believe they sell them and the flavours they have are horrible.

Sarah Wilson

I’ll never eat another **pear** because when you buy the pears from the shops, sometimes they have black stuff on them. Some people put their hands all over them before you get to put them in the bag!

Kira Jasperson

I’ll never eat another bit of that **celery**. Never, never, never again! Why would she make me eat that?? My name is Grace and last night my mum made me eat the grossest thing on Earth. Guess what it was...celery!! It’s disgusting! Mum tricked me! That’s a first! Mum said that it would apparently give me brain power. You’re annoying Mum!!

Annabelle Geltch

I don’t want to eat another **apple** because when you go to buy apples and put them in a bag, you don’t know how many people have touched the ones you want. Have they cleaned their hands after coming out of the toilet???? While eating an apple, what if you find a bug in it?? You don’t want to be half way through an apple and find a bug or a half-eaten bug in your apple. What do you do??

Lillian Geltch

I’ll never eat another **beetle**. Last week my sister snuck some inside my meatballs. What’s even worse is I have meatballs, so I ate them all really slowly, enjoying the flavour. You wouldn’t usually expect a beetle to crawl out of your mouth after a nice dinner, but that’s exactly what happened to me. It was missing a few legs (I must have already swallowed them!!). I was absent from school for the next week as I couldn’t stop throwing up, so that is why I will never eat another beetle.

PS: The jokes on her. I put worms in her spaghetti and I don’t plan on telling her….ever!

Kylie Giddings

I’ll never eat another **Brussel Sprout** again! They are the most grossest, smelliest thing I have ever eaten! Why would parents do that – force you to eat such a disgusting thing! It’s like eating an egg, uncooked, no sauce just that slimy gross egg. I will never eat another Brussel Sprout ever again!

Paige Kenny

I’ll never eat another one of those green things that Grandma put on the plate at Christmas lunch. It was small, round with lots of leaves. I believe she calls it a **Brussel Sprout**. It tasted like a mushy piece of lettuce put in beetroot juice. It tasted awful! Luckily Scruffy, her pet dog, was there and I could spit it all out on the floor. But Scruffy didn’t like it either and didn’t eat it. Grandma saw it and I didn’t get any Christmas presents for Christmas and I had to eat the rest of the Brussel Sprouts.

Jake Bourchier

I’ll never eat another **nut**! I’m devastated. I used to love ‘em. Now I can’t even have one a day!! Last week we went to the doctors for an allergy check-up and we found out that I was allergic to cats which I don’t care about; never liked them anyways. I’m also allergic to fish which I’ve never had and….NUTS!!! I mean why nuts?? They’re my favourite food, had them every day up until now!! I’m so angry! I used to have Peanut Butter on toast, Nutella and best of all nuts out of the packet. Now I can’t have anything!!!

Max Findlay

I’ll never eat another **chilli** because it really tastes bad! It is very hot and spicy and it can get so hot it can burn your mouth. If you touch your eyes afterwards it can really sting and make your eyes water. That’s why I’m never eating chilli again!

Tait Snaith

I’ll never eat another **rockmelon**. They are disgusting – big, round/oval shaped fruit with grey and green on the outside. The worst part about it is the inside – all orange. And the orange stuff tastes so sour. Everybody else likes them. It’s so yuck! People call it “cantaloupe”. Who knows why though?? Never put it on my plate because it is one of the most disgusting things I have ever come across. YUK!!!

Jane Haeusler

I’ll never eat another **peanut**. I’m so angry! I used to have them every day up until now!!

Cooper Spowart

I’ll never eat another **rabbit**! It tastes feral and it smells like a dead sheep sitting there for 5 years!! And don’t get me started on the taste! It tastes like raw chicken and it’s cold. People say a Rabbit’s foot is lucky but you’re wrong… it’s not!!

I’ll never eat another **apple** because they taste horrible and don’t look that good. They sometimes have bruises and holes.

**Aged Care Update.....**

Firstly a huge thank you for the proceeds of the football jerseys auctioned at the Club last week this was a lovely surprise and very much appreciated. Thank you to the Football Club for arranging this huge donation.

**DRUMS DRUMS** we want your old chemical drums for Barellan Aged Care each drum is worth 25cents from 100ml -20ltre.

You can arrange to drop off your drums at the Barellan Tip on Sunday Mornings. Call Colleen 0427 708140 or if you have over 1000 drums the machine will come straight to your place. Please make sure they are washed and the lids are off. Over the last two years over $3500 has been made from Drum Muster.

**Our AGM** is approaching on August 18th and new members and helpers are desperately needed as well as office bearers. Barellan Aged Care consists of a small number of people, who like all committees, work tirelessly to raise money. So far with generous donations and hard work over $205,000 has been raised. We are in serious need of more helpers with expert skills to achieve our goal.

**Show luncheon** is also not far away so if you are able to help on the day making cakes/slices or providing a salad or cold meat, please call Colleen 0427 708140 or Sandra @ The Community Health on Monday & Tuesdays.

Thankyou
Colleen O’Grady
THANK YOU Barellan TWO BLUES
A massive THANK YOU to ALL our volunteers who worked tirelessly on Saturday to host the 2nd Semi Final at the Barellan Sportsground. It was a huge day but a very successful day for the Club.
A big crowd attended to witness some great games of football and netball, the weather was perfect and the ground was in top shape.
Special mention to Bomber Brown for his impressive signage on the scoreboard.
Many thanks also to the Clydesdale and Show committee’s for manning the gate so we could cheer for our Under 13’s.
Your help was greatly appreciated
Barellan certainly know how to put on a good show. WELL DONE ALL

Winner of the ground raffle - $250.00 was Dylan of Tullibigeal.

The below email was received from Peter McFadyen President of the NRFL
The NRFL would like to thank the Barellan United Football & Netball Club on the excellent job you did on hosting the 2nd Semi Final.
