Principal’s Report

Let’s Chat Habitat

K-6 thoroughly enjoyed the show held at BCS last Monday and learned lots about the environment.

P&C AGM

Thank you to all parents who attended the P&C Annual General Meeting last week and thank you to the parents who have taken on positions for our P&C this year. All parents are welcome to attend meetings, and I encourage new parents to come along.

Primary Student-Led Conferences

On Wednesday afternoon this week, the Student-Led conferences will take place for primary students. This will be a great opportunity for students and parents to discuss learning goals together with their teacher.

Science Lab

Mr Hartley is the proudest Science Teacher in the Riverina in his new science lab. More exciting news – new desks and chairs are coming to fit out the lab.

RAP Study Day

This Friday our Year 11 and 12 students, along with many secondary staff will head to Hillston Central School for the first combined Study Day this year. These are always successful days with opportunity for interaction with peers and teachers. For further information please contact Mrs McDonnell.

National Day of Action against Bullying and Violence

The fifth National Day of Action against Bullying and Violence will be held on Friday, 20 March 2015.

This annual day provides a focus for us to say Bullying. No Way! and to strengthen our existing everyday messages that bullying and violence at school are not okay at any time.

Thank you

Thank you to all parents for your commitment to our school and the presentation of our students in uniform. As always we continue to work with students and parents to ensure that our students are in full school uniform each day. Staff are ultimately responsible for following procedures regarding uniform and will deal with instances as they arise. It is our responsibility, along with parents to ensure each child is in full school uniform each day.

Survey Closing

Our School survey is closing at the end of this week. Make sure you get in and have your say. Thank you to the parents who have already taken part in our quick 3-question survey. The link is on our Facebook page so you can access it with a single click.

https://www.surveymonkey.com/s/2CZRGHP

Tell Them From Me student feedback survey

Our students will complete this survey over Week 8 and Week 9. If you require any further information, you can access it here: http://surveys.cese.nsw.gov.au/information-for-parents

I want to assure you that the survey is confidential and school staff will not be able to identify individual students from their responses. The survey is conducted online and will typically take less than 30 minutes to complete. Participating in the survey is entirely voluntary.

A consent form was sent home previously – ONLY return it if you do NOT want your child to complete the survey.

Have a great week!

Barellan Central School Winter Uniform Order

An order form for Winter uniforms is attached to today’s Gazette. Order forms and payment need to be returned by Monday, March 23. The P & C would appreciate payment of outstanding money that is owed for uniforms. The P & C are obligated to pay suppliers and if we do not receive money from parents and carers this makes it very difficult. Some people were going to do a direct deposit into the P & C account but maybe with the holidays it could have slipped your minds. As discussed at the P & C meeting I will be re issuing invoices to families, if you are having any difficulties feel free to contact the school office or Jeanette Brumby.

Primary Excursion Fundraiser

Event: Casual Clothes Day
Date: Wednesday, March 25
Cost: Gold Coin Donation
Help the Primary students with their excursion to Canberra later in the year.

Could the parents of Primary Students who travel home by bus, please advise the school of any changes to travel arrangements now that netball training has commenced and swimming finished. Thankyou

Don’t forget the Gazette is available each week on the school’s website in beautiful colour.

http://www.barellan-c.schools.nsw.edu.au
It's been another busy week in Sport. Both the Riverina Swimming Carnivals have been held and although no students in Secondary have qualified for State, all 7 swimmers tried hard and several had top 5 finishes.

Riverina PSSA Carnival at Albury
The Barellan team consisted of Norm Haeusler, Jane Haeusler, Paige Kenny, Annabelle Geltch, Charlotte Rainbird, Sharni, Winter, Wyatt Lees, Will Ellis, Jack Inglis, Ryan Jordan, Olivia Ellis, Ella Male, Rylie Curran, Tom Jamieson, Alannah Curran and Lillian Rainbird. All the Barellan representatives competed to the best of their ability and were perfectly behaved at the carnival. Ryan Jordan achieved selection in the Riverina team to compete in Sydney in backstroke. Well done Ryan you have had an excellent swim season.

As with the Secondary students, everyone swam hard and many top 5 and top 10 finishes resulted.

Thank you to all the parents who assisted with getting the students to both carnivals, a big commitment, especially to Albury for Primary.

I would like to also thank Heather White for her contribution to the success B.C.S. has achieved in swimming, the results the teams and individuals have achieved over a great many years would not have been possible without her help and effort.

PSSA Tennis
Jake Bourchier, Norm Haeusler and Jane Haeusler attended the final trials for the Primary Riverina team and both Norm and Jane were selected as reserves for the squad. Considering this takes in the whole of the Riverina, this is an outstanding achievement.

PSSA AFL and Netball Trials
Following the trials held in Coolamon, all our students were successful in being selected for their respective squads. Jane, Annabelle, Charlotte and Paige will play early next term (Friday of week 1 in Wagga) and the Wyatt Lees and Will Ellis play AFL in Coolamon this Friday, March 20.

Athletics Carnival
This is scheduled for Friday of week 4 Term 2, May 15. That only leaves a few Friday Sport days for practice. If anyone wishes to borrow gear, please come and see me ASAP. I will also try and run some sessions for High Jump, etc, at lunch if possible.
**Yr 4 Class News**

Last week we began to get the ball rolling for our fund-raising for our primary excursion to Canberra. We have decided that we will be having a casual dress-up day in week 9 for a gold coin donation as our first event this term.

Over the last fortnight we have begun cricket for our Friday primary sport where we have been learning the fundamental skills of fielding, catching, bowling and batting. This Friday we will be lucky enough to have some visitors from NSW cricket to run a clinic with us.

A quick reminder that the mobile library visits our school tomorrow, so remember to return those books!

**Leaders:** Dominic & Alannah

Thank you to last week’s leaders- Eli & Anika, you were very helpful.

A fantastic effort from the Barellan Central swimmers in Albury last Monday. Plenty of determination and PBs achieved.

Bronze Awards for Logan, Tom, Anika and Bianca. Fantastic effort.

A big congratulations to Matilda for her Silver Award.

It is good to see so many students taking their books home to do extra reading, it is important that these books are brought back into school the next day so the students don’t fall behind.

If you are not available on Wednesday afternoon and have requested another time I will be in contact with you this week to arrange an appropriate time. This is the first time BCS has delivered this type of conference and I look forward to discussing learning with students and parents.

The Cricket Clinic is coming this Friday. Thank you Mrs Kenny for organising this excellent opportunity.

Last Monday we watched “Let’s Chat Habitat” which was a performance in our school canteen. Through the use of puppetry students enjoyed a wonderful afternoon learning about reducing their carbon footprint and recycling to help preserve the habitat of all creatures on our earth. We all laughed a lot and enjoyed every aspect of the performance.

I will be at school on Thursday though I will be off class. I will be popping in and out throughout the day. Miss Clark will be taking the class for a normal day of learning.

Barellan Central School MND Fundraiser Raffle:

“The Danihers”

Personally signed by Chris Daniher.

Late last year, two of our students, Will Tiffen and Tom Jamieson, approached the Barellan SRC with the idea for a Motor Neuron Awareness day. The day included blue cupcakes, blue clothes and a walkathon which aimed to raise awareness and funds to help defeat this terrible condition. The day was a huge success and we thank all those that assisted in running it. On the day, a book was donated on behalf of Chris Daniher as a thank you for the school’s support towards MND. The SRC is now hoping to raffle off the book with all funds being put forward towards finding a cure for Motor Neuron Disease.

Barellan SRC Motor Neuron Disease raffle:

1st Prize: “The Danihers” personally signed by Chris Daniher

2nd Prize: $20 iTunes Voucher.

Raffle will be drawn at the End of term assembly, Wednesday 1st of April.

Price: $1 ticket or $5 for 6 tickets

Tickets can be purchased at the Barellan Central School Office, the Barellan Post Office, Golden Grain Café and SRC members will also be selling tickets.

Motor Neurone Disease (MND) Casual Clothes Day

The SRC will be holding a casual clothes day on Tuesday, March 31, to continue to raise awareness and funding for MND research.

Students are invited to wear Blue clothing for the cost of a gold coin donation.
National Assessment Program – Literacy and Numeracy 2015

LETTER TO PARENTS

In May 2015 the National Assessment Program – Literacy and Numeracy (NAPLAN) will be completed by students in Years 3, 5, 7 and 9. NAPLAN has the support of all State and Territory Education Ministers and will assess the literacy and numeracy skills of students across Australian schools.

The results of the tests will provide important information to schools about what each student can do, and will be used to support teaching and learning programs. Parents will receive a report indicating their child’s level of achievement. Each student’s level of achievement will be reported against the national minimum standard.

Student background information (student name, gender, date of birth, language background and Aboriginality) will be collected as part of the National Assessment Program. This information is treated confidentially and held securely to ensure that every student’s right to privacy is maintained.

The NAPLAN tests will be conducted from 12-14 May 2015.

In the Numeracy tests students do not require any measuring tools such as rulers or protractors. In Years 7 and 9 there will be two Numeracy tests: one where a calculator is allowed and one where calculators are not to be used. For the calculator test, the student should use the calculator that they currently use at school.

Friday 15 May – A ‘catch-up’ day is scheduled for students who missed a test or were absent on a test day.

Students may be considered for exemption from the tests if they:

- are newly arrived in Australia (less than one year before the test) and with a language background other than English, or
- have significant intellectual disability and/or significant co-existing conditions which severely limit their capacity to participate in the tests.

All other students are expected to participate in the tests. Disability adjustments which reflect the student’s normal level of support in the classroom may be provided. Large print, Braille, coloured paper versions and electronic tests are available to meet the needs of individual students.

Access to disability adjustments or exemption from the tests must be discussed with the school principal and a parent or carer consent form must be signed.

Students may be withdrawn from NAPLAN by their parent or carer. This is a matter for consideration by parents in consultation with the Principal. If you wish to withdraw your child from the tests, a parent or carer consent form must be signed.

Please make an appointment with the principal of the school your child attends if you would like to discuss your child’s participation in NAPLAN.

Additional information about NAPLAN can be found at [www.nap.edu.au/NAPLAN/Parent_Carer_support/index.html](http://www.nap.edu.au/NAPLAN/Parent_Carer_support/index.html).
