Principal’s Report

AFL Clinic
Students enjoyed learning new skills with the AFL development officers who visited here on Friday. Congratulations to all students who displayed excellent sportsmanship and behaviour throughout the clinics.

RAP Study Day
This Wednesday approximately 100 students and staff from all RAP schools will visit BCS for valuable face to face time with their teachers and peers. This is always a great opportunity to show off our great school and for our students to see RAP in action. Thanks to Mrs McDonnell for all of the organisation for the day.

School Plan and Annual School Report
The new School Plan and the Annual School Report are now live on our school website. The surveys that students and parents completed have helped to inform our school plan – thank you for your participation in these.

Student Learning
During week 6 I worked with students in 2/3 in AR and Mathematics. It was a pleasure to see students fully engaged in their learning in both of these sessions, as well as their enthusiasm to improve.

Years 5/6 have been working hard on their assignment on Australia. This has provided students with a great opportunity to demonstrate some of their 21st Century skills with collaboration and creativity. Students presented their work to the class on Friday. Congratulations on a big effort from all students.

I also discovered some talented secondary dancers working with Miss Winter at lunchtime on Friday. They tell me it was only their second time going through the routine, but it looks like it is coming together nicely!

National Reconciliation Week (NRW)
This year’s NRW theme, ‘It’s time to change it up!’ is an invitation for all Australians to step up and become active reconciliation participants. NRW provides an opportunity to learn more about our shared histories, cultures and achievements.

Secondary students worked with Ms Stahl and Mr Hartley on some National Reconciliation Week activities, and students learned about reconciliation and how to build on the respectful relationships shared by Aboriginal and Torres Strait Islander peoples and other Australians.

The work the students completed will be on display in the Library.

Have a great week.

Ways parents can help their kids succeed at school

Make sure they have a healthy snack and lunch
Along with a good breakfast each day, having a healthy lunch and a nutritional snack for that 2 p.m. slump is also important to help a student focus throughout the day. Foods rich in nutrients can contribute to students’ maintaining a steady energy balance.

Thank you to Mrs Luppi and Mrs Kenny for organising the Circus Challenge visit to Barellan Central School last Tuesday. It was a fantastic event and we were all amazed by the great circus tricks performed. We were especially lucky to also learn to spin plates and juggle scarves.

Thank you to Mrs Kenny for your organisation of the AFL clinic on Friday. K/1 has such a fun time learning new skills.

I am away from BCS tomorrow attending Fundamental movement training in Wagga Wagga. Miss Bishop, our new RAR, will be on K/1 and the day will run as close to a normal Tuesday as possible.

Wouldn't it be amazing if everyone in our class could achieve a certificate in Mathletics this week?
Last Friday we had our AFL clinic and we all had a great time, it was terrific for the students to have this opportunity and we thank Mrs Kenny for her work in organising it. We will continue to develop our AFL skills in Friday sports for the remainder of the term.

In class we have been studying native Australian plants and animals as part of our COGS unit. We have been working on some sketches of plants and some textured animal art works along with writing some detailed information reports helping us learn more about some of our unique Australian animals (pictures opposite).

Remember with this cold weather to make sure that you bring a warm jumper or coat to school each morning.

BCS Sport Report Week 7

Open Girls Netball Team
The girls played 6 games in the Central Schools Knockout last Wednesday at Leeton, winning 4 and losing 2, one a tight loss to Balranald Central. This means the team finished third for the day. Everyone played great netball, especially the defence and all conducted themselves in the right manner. The standard of netball was very high again this year and we should have a strong squad for a few more years if the performance of our Year 9 and 10’s is anything to go by.

I would like to thank the parents who came along and supported the girls and did the scoring.

Tomorrow, there should be trials for the RAP Open Girls team, being held in Narrandera. Sorry about the short notice but I only found out last Thursday. Good luck to those attending.

PSSA Tennis
Our Primary tennis players, Paige, Jake, Norm and Jane are playing at Bolton Park in Wagga today for a spot in the Riverina Finals. Good luck guys.

Secondary Zone Athletics Carnival
This is being held on Friday, June 5 at the facility next to the Coolamon Football Grounds. Good luck to all those students competing. Permission notes should be in by today. I will be attending as Manager. Please note there will be NO CANTEEN on the day. Students need to bring morning tea, lunch, water etc with them.

Riverina Cross Country
Next week should see the running of BOTH Cross Country events, Primary on Thursday the 11th and Secondary on Friday the 12th at Gundagai. All notes are in for those days and good luck to the students competing. Mrs Stevenson from Beckom will be managing the Primary team and Ms Stewart from Ardlethan is in charge of the Secondary team.

Alan Hesketh

5/6 News

Good luck to the 4 students who are in Wagga today playing tennis. Paige, Jane, Jake and Norman are representing BCS at this competition.

Congratulations to all students who presented their assignments on Friday. It was a bit of a mixed bag with some students show 100% effort and completing all of the tasks in the set time, while others were choosing to not use their time efficiently and therefore presented unfinished assignments.

At this stage I will in a meeting to complete the milestones for the school plan with Mrs Luppi, Mrs McDonnell and Mrs Gill tomorrow, that is if we can get a casual for the day!

The rest of the week looks quiet, so hopefully we can catch up on some of the learning we have not completed due to the various interruptions over the past few weeks.

I am now in the process of writing reports ready to go home later this term. A reminder to parents who have not come in for a 3-way conference that they can call the school to arrange a time for this to occur.

This year’s amount $2123
Big thanks to those who came along and participated in our morning tea which was held at the CWA Rooms on Friday May 22nd.
Annabel Ryan from the Cancer Council came across with her Mum, Sally, to have a chat with us, which we all enjoyed. It was her birthday, so of course we all sang Happy Birthday.
Our continuous raffle was well supported with 42 prizes up for grabs. This can’t happen without the support of those who donate, many of whom do so year after year.
Donors for this year’s raffle:
Barellan Post Office; Golden Grain Café; Barellan Retail; House-Griffith; Kim Lawrence; Lesley Bandy; Colleen O’Grady; Coralie Irvin; Annette Phillpot and Kay Cullen.
Continuous Raffle Winners:
Sally Ryan; Billie Robson; Margaret Cottom; Trish Wilson; Beth Preston; Joe Phillpot; Pat Waide; Anthony McDonald; Colleen Jamieson; Viv Danaher; Lesley Bandy; Rhonda Male; Donna Robertson; Kerry Highlander; Kay Cullen; Margaret West; Colleen McDonald; Diane Hanby; Val Hawker; Annette Phillpot; Tony (café); Gary Buckley; Irene Stevenson; Elaine Nicholls; Steven Woodham.
This year we tried our hand at the Cancer Council’s new game TEAGOS, fortunately for the prize winners, it’s been a long time since I’ve played Bingo, forgetting it’s the first person to call out TEAGOS, not the whole nine people who call our that win!
Lesley Bandy donated a beautiful home made blanket for the Lucky Door prize, which was won by Billie Robson. Thanks Lesley.
Our quilt raffle winner this year was John McIntosh. Big thanks must go to Nola Malone for supporting our morning tea year after year with her lovely quilts. This raffle makes a big difference to our tally, so thank you Nola.
Lastly thanks to Coralie Irvin for the many hand made goodies you provide us with for our trading table.
To Colleen, Lesley, Robyn, Shane, Bill, Margaret, Anthony and all the great cooks. Many thanks. Apologies to anyone I may have omitted, your help is always appreciated. Hope to see you all next year.

Dear Parents and Caregivers,

You may have provided us with information that our son/daughter has been diagnosed with allergies, or you son/daughter may have just recently been diagnosed with allergies.

The NSW DEC has recently advised us that the Australasian Society of Clinical Immunology and Allergy (ASCIA) have updated the Action Plans for Allergy for 2015.

As these Action Plans are medical documents, they must be completed by a Medical Practitioner. When you next attend an appointment with your Doctor could you please have the enclosed Action Plan updated and a colour copy provided to the school. We are happy to copy it for you if you bring it to the school office.

Thank you for your attention to this important matter. If you have any questions please contact me at the school.

Regards,

Stacie Luppi
Principal
