WEEK 8B Term 3 Monday August 31

Principal’s Report

Paul Wade Visit

We were lucky to have Paul Wade visit on Friday to speak with students about various topics and run some skill workshops. Paul is a former captain of the Socceroos team and he had a lot of positive information for our students to use as they continue their learning and life journeys.

RAP Study Day

Our Senior students are at Lockhart Central School today to take part in the Term 3 Study Day. This will be an excellent opportunity for our Year 12 students to glean any last minute tips before they complete their HSC Exams next term. Thanks to the staff who attend from BCS to ensure these learning opportunities can occur.

90th Annual Barellan Show

Despite the wet weather for the week before the annual show, there were plenty of people about at the Barellan Showgrounds on Saturday. Our school display was once again outstanding, thanks to the talent of Shirley Whytcross and many other staff who put in many hours to prepare our school’s work. Our staff always work tirelessly in the weeks before the show, helping students prepare entries for various categories; students are always proud of their work, which makes it worth all the effort. Congratulations to all students and community members who entered items for judging this year.

Variety Night

There are 9 sleeps until Variety Night! Students and staff are busy rehearsing for their items – things are looking good.

Survey

Don’t forget – there is a survey is available for parents and staff to complete regarding our Celebration of Learning events. Please take the time to answer 5 short questions so we ensure that these events are tailored to our audience. https://www.surveymonkey.com/r/JLDBWH3

Have a great week.

Fruit and Veg Month

Every year Fruit & Veg Month runs for the last 3 weeks of Term 3. In 2015 it will be from 24 August to 18 September.

The Healthy Kids Association produces fantastic classroom resources that can be used during the month or all year long. Ask your child’s teacher if they will be doing anything for Fruit & Veg month this year. Here are some tips for improving fruit and veggie intake all year long:

- Eat a rainbow of fruit and veg everyday
- Regularly try something new
- Try fruit and vegies raw, steamed, mashed or stir fried
- Grow your own
- Be a good role model
- Try different combinations of fruit and veg in a smoothie

Another busy week ahead of us this week with Variety Night rehearsal and bringing it all together. Variety Night is Wednesday next week.

**COSTUMES for variety night**—Could students please bring to school a long sleeve shirt in any block colour by Monday next week. Please ensure shirts do not have an image or writing on the front. Last Friday we were lucky enough to have former Socceroos captain Paul Wade come to our school to speak to us and run a soccer skills clinic. Paul focused on the importance of sportsmanship and encouraging our peers in sport and how it is a great trait for us to have. On Friday we also had some fun cooking up a storm in preparation for the show, there are some great photos of us in this week's Gazette!

Over the next week and a half we will be very busy preparing for our Variety Night performances. Attendance is vital in the lead up to our performance so we don’t fall behind with our practise and rehearsals.

Also please remember this week to bring in notes for our visiting performance (happening Wednesday) and also Canberra excursion medical forms and final payments (due Friday).

Finally please remember to bring in your fruit daily so we can fill up our class sticker chart.

HOME LEARNING

Paul Wade Visit
Dear Parents,

Life Education NSW is a not for profit community-based organisation that relies heavily on fundraising within the community to assist in meeting the shortfall left after receiving minimal assistance from Government funding.

The sale of Harold merchandise to the children whilst the program is visiting each school supports the fundraising activities of local committees and all proceeds support Life Education within each local area. These products help to remind children about the messages delivered to them during their Life Education session and have either a picture of Harold or the Life Education logo on them.

The educator will provide the opportunity for children to purchase these products during the school visit. Please provide the correct money in an envelope with the item written on the face of the envelope along with your child’s name and class. This allows the educator to process orders efficiently and accurately. Orders will be returned by the conclusion of the visit.

PSSA TENNIS

On Monday 17 August our PSSA tennis team consisting of Jake Bourchier, Norm Haeusler, Jane Haeusler and Paige Kenny competed in the State Finals of the PSSA Tennis knockout at Sydney Olympic Park. We travelled to Sydney on Sunday as a team on a mini bus, ready for an early 8am start on Monday. The students enjoyed a swim at the Olympic Aquatic Centre and a delicious meal at Ribs and Rump on Sunday evening before retiring for a good night rest!

Our first round was against Merimbula Public School (South Coast). The standard was very high and after 6 sets, despite being very competitive we were defeated 6-0. Some of the students were interviewed by ABC Riverina Radio on arrival at the competition talking about their achievement and success to make the state final. I hope some of Barellan community were fortunate enough to hear the interview.

The next round was the consolation final against Artarmon Public School. We were much more competitive in this round, winning 2 sets and with some very close scores in the other 4 sets.

The students were presented with their certificates on centre court and got to walk the famous corridor displaying tennis greats throughout history from all around the world, Evonne being one of the first we came across. The students are pictured below with Evonne in the background. Barellan also received a special mention from the PSSA tennis coordinator promoting our place in tennis history and the significance of Evonne and big tennis racquet.

The students had a great time and displayed excellent sportsmanship which was noted and praised by the teachers from other schools. Fourth in the state for such a small school, where access to regular coaching and competition opportunities are limited; and against students who are playing tennis most days each week as their sole sport, is an amazing achievement!

I feel privileged to be a part of such a wonderful group of children and parents and totally enjoyed my experience of taking these students through to the state final. I congratulate each of them on their competitive spirit, determination and sportsmanship – you are great ambassadors for your school and town and should be very proud of your achievements. Thanks for letting me share in your experience and I wish you luck in your future tennis aspirations and sporting achievements.

Thank you to Kathy Bourchier, Tina Haeusler and Julie & Mark Kenny for their help and support throughout the two days and to Mark for driving the bus.
